Make your run count

Fundraising

A staggering 53 Australians are diagnosed with breast cancer every day*, and this number continues to rise. These women are our mothers, daughters, sisters and friends—**and they need your help.**

By raising funds for Mater Chicks in Pink as part of your participation in the RACQ International Women's Day Fun Run you can make a profound impact for these women. The funds you raise will go towards providing support services such as counselling, yoga and art therapy and mastectomy bras for women who have lost one or both breasts. These support services will make life easier for women affected by breast cancer right now, when they need your support the most.

You can make an impact today by sending a message to your friends, family and colleagues asking for their support. And don't forget to say a big **"Thank You"** to all of our supporters!

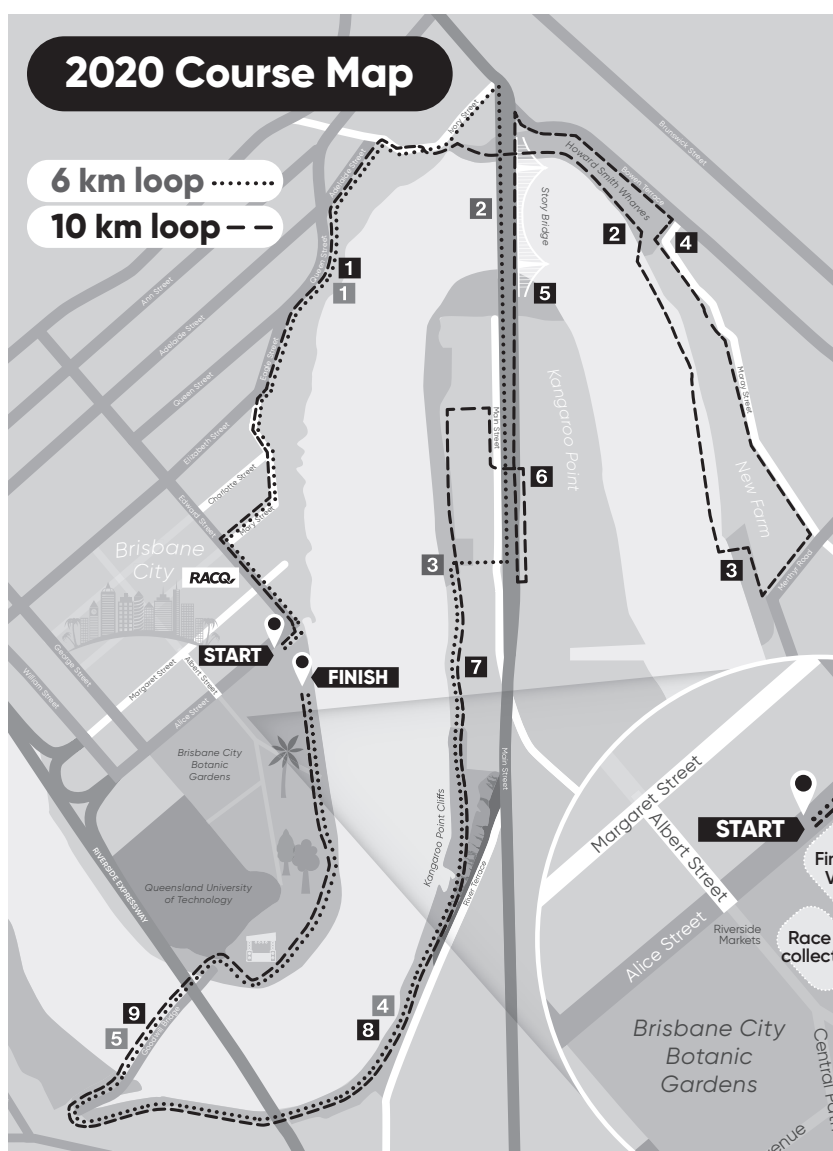

Cash donations

For cash/cheque donations contact **1800 440 155** or visit the Mater Chicks in Pink donation tent on event day. All donations over \$2 are tax deductible. Receipts are provided.

Tribute card

Dedicate your run or walk to someone close to you who has been affected by breast cancer by wearing a tribute card. Tribute cards are available on event day from the race kit collection tent, the Information Desk and the RACQ Tribute Wall.

After your run you can add your tribute card to the RACQ Tribute Wall in the Finishers' Village.
