

# Challenge Snowies

## Ride with $\Delta$ ltitude

Tuesday 25 March – Saturday 29 March 2025

# A Smiddy ride with an all-new altitude, join us for a life-affirming cycling adventure from Mater Smiling for Smiddy

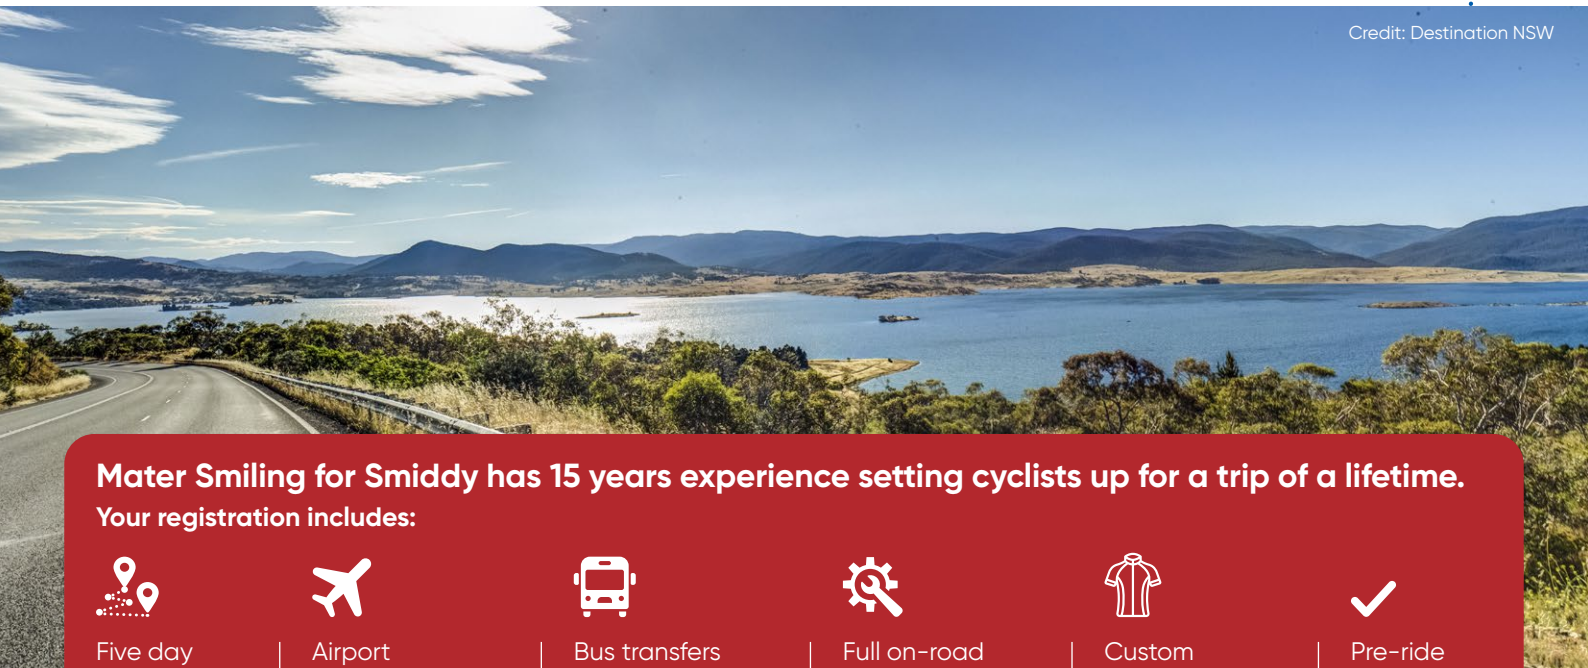

Discover what peak performance looks like as you connect on a deeper level to community, to cause and to self on one of Australia's most iconic rides in the Snowy Mountains, New South Wales.

On this exclusive, fully-supported tour designed with the cycling enthusiast in mind, this five day challenge explores some of Australia's best climbs and descents. Feel empowered to go beyond your limits in a supportive environment with a peloton of like-minded cyclists.

Conquer some of Australia's highest roads and descend through sweeping valleys. Marvel at alpine forests, mountain passes and rushing rivers—from Mt Kosciusko to Charlotte's Pass, Lake Jindabyne and more.
